

# Bosch CDR 900 Vehicle Support Guide

Updated thru CDR Software version 19.5.2

North American vehicles that require the CDR 900 to download data through the DLC/OBD port or D2M (Direct-to-Module)

## Vehicle Module Definitions:

ACM = Airbag Control Module

ASCM = Active Safety Control Module (if equipped)

*Always check the Help File section of the latest CDR software for additional vehicle information and notes!*
